

New Oncology APIs

We are proud to introduce our new partner for Oncology APIs - a GMP approved Indian manufacturer who supports clients with regulatory guide, such as CEPs or DMFs and other technical assistance.

Please find below API Product List and kindly advise your response towards the product of interest to enable us to share our offer and certificate of Analysis.

API	Pharmacopoeia	Regulatory status
Azacitidine	IH	DMF available
Busulfan	EP/BP/USP	DMF available, CEP granted
Bendamustine HCl	USP	DMF available
Bortezomib	IH	DMF (including USDMF) available
Lenalidomide	IH	DMF available
Palbociclib	IH	DMF available
Temozolomide	EP/BP/USP	DMF available, CEP granted

Other CEPs available for Clonidine HCl and Pirfenidone.

Products protected by valid patents are not offered for sale in countries, where the sale of such products constitutes a patent infringement.

January 2025
