

Free trade agreement signed with Kosovo

On January 22, EFTA and Kosovo signed a comprehensive free trade agreement (FTA) at the WEF in Davos.

Import demand for key goods increasing

Central Eastern Europe is experiencing a positive and very dynamic economic development supported by foreign direct investments from different sectors. According to the Swiss customs authority, Swiss exports to Kosovo totalled CHF 64 million in 2023. Switzerland mainly exported vehicles (40%), pharmaceutical products (21%) and agricultural products (9%).
